Dear Minister:

We have recently received a report from your colleague, the Minister of Aboriginal Affairs, outlining annual expenditures and a cumulative total of all monies spent by his Ministry on the Algonquin Land Claim since fiscal year 2005-06.

Earlier this year, we received a similar report from the Honourable John Duncan, federal Minister of Aboriginal Affairs, outlining all federal expenditures associated with the claim.

The OFAH would appreciate receiving a similar summary report of all monies spent on the claim by the Ministry of Natural Resources for the period noted above, including any expenditures that may be associated with the Special Purpose Account (SPA).

Thank you for your assistance in this regard.

Yours in Conservation,

Greg Farrant  
Manager, Government Affairs & Policy
